DEVICE ACCIDENTAL PROTECTION PLAN

The Franklin County School system is providing and administering an insurance program for students and parents as part of our 1:World project. Enrollment in this program is mandatory for a student to be issued a device. Enrollment in the program is achieved by completing this form and submitting it to Franklin County Schools. This plan covers “accidental damage” to the device and is designed to limit a family’s financial responsibility for any damages as described in the coverage section below. In addition, each device is covered under a manufacturer warranty that covers the normal operation of the device to ensure that it functions properly.
