

3rd Grade - NTI Day 1-5

Student Name: _____

Date: _____

For each NTI day, please complete 1 activity from EACH chart (ELA, Math, Science/Social Studies AND Enrichment). All activities need to be turned in when we return to school. Please shade or initial each box as you complete the activities. You should plan to spend a total of about 2-3 hours working during each NTI day.

If you have any questions or concerns about technology or account access for programs like Lexia, MobyMax, Brain Pop, or Raz Kids please contact Mrs. McCoy our Librarian/Technology Coordinator: kim.mccoy@franklin.kyschools.us

ELA

30 Minutes on Lexia	30 minutes on MobyMax-Reading Skills Informational	30 minutes on MobyMax-Reading Skills Literature	30 minutes reading book of your choice. Write a paragraph recounting what you read.
Raz-Kids 1 Book-make sure you take the quiz.	Write a narrative about your favorite present you have ever received.	Write an opinion piece about the best holiday to celebrate. Have an introduction, 3 reasons, and a closing.	Research another country and tell 3 facts that you learned.

MATH

30 Minutes on MobyMax	30 minutes practicing multiplication facts using flashcards or XtraMath.org	Write ten 3-digit numbers and round them to the nearest 10. Ex: 235 = 240	Write ten 3-digit numbers and round them to the nearest 100. Ex: 348 = 400
Complete the Zearn lesson assigned to you.	Write down the times of five different activities that you do during the day and how long they take. Make sure you include a.m. and p.m. Ex: Brush Teeth: 8:45 a.m. - 2 minutes	Write 5 multiplication word problems. Ex: Mary has three baskets. In each basket she put 4 eggs. How many eggs does she have?	Interview your parents about how they use math each day. Make a list of the different ways. Ex: Grocery store, Balancing Checkbook, and Cooking.

SCIENCE / SOCIAL STUDIES

30 Minutes on MobyMax (Science)	<p>Watch a Science video on Brainpop. Take the quiz and write down three things you learned.</p> <p>Login: bpebrainpop Password: tigers</p>	<p>Pick an animal and draw its life cycle.</p> <p>Ex: Frog, Butterfly, and Chicken</p>	<p>Conduct an experiment to see what objects in your house are magnetic. Make a list of things that are and are not. Use a refrigerator magnet.</p>
30 Minutes on MobyMax (Social Studies)	<p>Research someone who changed history. Write a paragraph about what you have learned.</p>	<p>What jobs are important in a community and why? Pick three jobs.</p>	<p>Research a natural disaster. What effects did it have on the people in the community?</p> <p>Ex: Hurricane Katrina Mount St. Helens</p>

ENRICHMENT

During each NTI day, your child will only complete one Enrichment activity. Please spend approximately 30 minutes on this activity. Please shade in or initial the box that was chosen.

NTI Day 1: Music

NTI Day 2: Art

NTI Day 3: PE

NTI Day 4: Music

NTI Day 5: Art

PE

<p>Spend 30 minutes outdoors in active play. Examples include sledding, snow ball fights, tag, going for a walk, or jumping on a trampoline!</p>	<p>Complete 4 rounds of the following workout. 20 jumping jacks, 20 squats, 20 abdominal variations (sit-ups of your choice) 20 push up variations, 20 burpees</p>	<p>Family Dance Party! Spend at least 15 minutes blaring your favorite tunes and dancing with your family or friends! You can video and send to Mrs Crumbaugh if you would like!</p>
<p>Create your own workout with a family member or alone. Write it down, complete it, get a parent signature.</p>	<p>Go to GONOODLE.com and choose a video to complete.</p>	<p>Cook a healthy meal. Email the picture to Mrs Crumbaugh</p>

Music

Listen to a song or piece and be a detective. Write a paragraph explaining the tonality and tempo and then explain how it makes you feel.	Invent a dance to a song to help show the tempo and tonality. <i>How will you show tonality in your movements? How will you show tempo?</i>	Go to the New York Philharmonic Orchestra's website for kids: http://www.nyphilkids.org/ Play any music game for 15 minutes. (Requires Adobe Flash)	Make an instrument using found objects around the house and then use your instrument to perform a song for a family member. Instrument ideas: https://www.youtube.com/watch?v=OuPtht9xAfQ&disable_polymer=true
---	---	--	---

Art

Build a sculpture using available materials (legos, recycled materials, blocks, paper, etc.)	Choose two How to Draw videos on https://www.artforkidshub.com/ . Follow the step by step instructions and color your drawings.	Draw and color a comic strip that tells a story. Be sure to include detailed characters and an interesting background.	Go to The Museum of Modern Art at https://www.moma.org/interactives/destination/# and explore the site using the interactive game.
--	--	--	--

Please return this packet and any work completed to school the day we return.

By signing this slip, I certify that my child completed the NTL activities for today.

Adult Signature: _____
