

ELV Kindergarten Non-Traditional Instructional Snow Day 5

These activities are an opportunity for your child to practice kindergarten skills. Even if they are limited in what they can write/read etc., let them attempt to do the work independently *or with a little assistance from you.*

*Please complete and initial each activity that is completed. **Please make sure to read 10 minutes each day!***

Literacy Activities (choose two)

Parent Initials

Lexia Online Reading Program (15 minutes) www.lexiacore5.com	
Read a story. Draw 3 pictures to show that happened at the beginning, middle and end. Label the pictures if you can.	
See how many words you can rhyme with pig, cat, dog, sock, bell, flag, pen, fin, dad, and mom.	
Find and read sight words in a magazine or newspaper.	

Writing Activities (choose one)

Parent Initials

Practice writing your letters or sight words with different materials (shaving cream, in the snow with a stick, Q-tips and paint).	
Write your sight words on paper or sticky notes, post around your house and go on a word hunt.	
Help your family make a shopping list.	

Math Activities (choose two)

Parent Initials

Eureka Math Application Problem	
Compass Learning (15 minutes) www.thelearningodyssey.com	
Count forward to 100, 3 times using different silly voices.	
Practice writing your numbers 0-20 outside in the snow.	
Play a board game or card game. Focus on recognizing dot patterns without counting and on recognizing numerals.	
Using blocks or Legos, make towers with a friend, sibling, or grown-up. Each of your grab a handful, build, and compare to see whose is taller!	

Special Areas (Music, Art, P.E.) (choose one)

Parent Initials

Move your body to videos at gonoodle.com	
Talk about your favorite instrument. If you have one at home, play it or hand an adult play it for you.	
Make a collage with items from your home.	

Please return, along with completed work, to school within 3 days of the snow day.

Eureka Math Application Problem

Day 5

Name: _____

Solve and illustrate the problems.

1. Draw 2 plates. On your first plate, draw 6 apples. On the next, draw 1 less. Write the numbers below the plates. Now draw 2 cups. In the first cup, draw 5 straws. In the next, draw 1 less. Write the number below the cups.

2. Use only triangles, rectangles and circles and design a rocket ship below. Count how many triangles, rectangles and circles you use in your picture.

_____ circles

_____ triangles

_____ rectangles
