

Registration Information

The following papers are required at registration for new students:

- 1) A copy of a birth certificate from Vital Statistics
- 2) A social security number
- 3) An immunization certificate on the official Kentucky form. (Most children need their shots updated for Kindergarten. Please check with your doctor or health department.)
- 4) A school physical on the official Kentucky form. (The physical examination must be given within one year of beginning public school. If your child is in a public preschool, that physical is acceptable.)
- 5) An eye examination by an optometrist or ophthalmologist is required for children entering public school for the first time.
- 6) Proof of residence.
- 7) Proof of guardianship if child does not live with natural parent.

For more information call the school or check KDE's [Frequently Asked Questions about Kentucky's School Enrollment Requirements](#) webpage.
