## **2020-21 Phase One: Continuous Improvement Diagnostic for Districts**

. The **Comprehensive District Improvement Plan or CDIP** is defined as a *plan developed by the local school district with input of parents, faculty, staff, and representatives of school councils from each school in the district, based on a review of relevant data that includes targets, strategies, activities, and a time schedule to support student achievement and student growth and to eliminate achievement gaps among groups of students.*

The comprehensive school and district improvement plan process is outlined in 703 KAR 5:225. The requirements included in the administrative regulation are key components of the continuous improvement process in Kentucky and ultimately fulfillment of school, district, and state goals under the Kentucky State Plan as required by the Every Student Succeeds Act (ESSA).

While the regulation outlines a timeline for compliance purposes, the plan itself is a strategic and proven approach to improve processes and to ensure students achieve. The timeline for the district's 2020-21 diagnostics is as follows:

### **Phase One: August 1 - October 1**

- Continuous Improvement Diagnostic for Districts

### **Phase Two: October 1 - November 1**

- The Needs Assessment for Districts
- District Assurances
- District Safety Report

### **Phase Three: November 1 - January 1**

- Comprehensive District Improvement Plan
- Executive Summary for Districts
- The Superintendent Gap Assurance
- Professional Development Plan for Districts

### **Phase Four: January 1 - December 31**

- Continuation of Learning Plan for Districts (Due May 1)
- Progress Monitoring

***As superintendent of the district, I hereby commit to implementing continuous improvement processes with fidelity to support student achievement and student growth and to eliminate achievement gaps among groups of students.***
